

Risk prevention in the workplace Policy

AZKAR assumes the permanent compromise of reaching a high level of SECURITY AND HEALTH AND SAFETY IN THE WORKPLACE according to other policies of human resources, that guarantees the wellbeing of the employees. This compromise with quality of our services and the preservation of the ENVIRONMENT has led us to an improvement in all areas of our activity.

The responsibility in the management of risks involves all members of the company, and all its collaborators. The Risk prevention and health in the workplace policy must be known, understood developed and maintained updated by all levels in the organisation, with the participation information and training of all employees.

The business management in which comes THE RISK PREVENTION IN THE WORK PLACE POLICY, will offer the necessary resources to guarantee the SECURITY AND WELLBEING of all members of AZKAR.
